Street Address

Do authorize a one-time easement to enter our property to:

Owner Two: _____

Printed Name(s)

Residing at: _____

Street Address

For the purpose of performing construction work on their property by either a contractor or by themselves, as described below.

The Owner Two named above agrees that any and all disruption to our property and to any common areas during the construction, including the post construction clean-up, shall be their responsibility to return said property to the same condition it was in prior to start of construction. This restoration work shall be completed within 5 working days. If the required work is not completed to our satisfaction within this time frame, we or the BOD are authorized to complete the work and you agree to reimburse us or the BOD for any costs either may incur. This easement is not valid until both owners sign it. This approved easement is terminated at the completion of the work project described above.
